TO ALL THE SUCCESSFUL IPGDRM STUDENTS**Re: Accreditation from the Institute of Risk Management, London [IRM]**

We have pleasure to inform you that the Institute of Risk Management, at 6, Lloyd's Avenue, London EC3N 3AX has advised that IRM would accept graduates of our IPGDRM for direct entry to the grade of **Certificant of IRM [CIRM]**.

You would be, therefore, exempt from taking their CIRM examinations.

The fees payable is mentioned on IRM's website (www.theirm.org) with concessions for students from low GDP country, like India. You may also follow the other conditions and instructions laid down in the cited website for your claiming this accreditation.

In furtherance of your career we recommend that you obtain CIRM from the Institute of Risk Management (London), and consider enrolling for their other professional programs, like *Grad IRM* and *MIRM*.

Wishing you all the best,

Yours faithfully,

VEPA KAMESAM
Managing Director
