Subject: CII Examination Cleared

Dear Sir,

I am writing this message with great pleasure to share my happiness for clearing ACII Examination.

I take this opportunity to sincerely thank you for your unparalleled support and guidance without which I would not have been able to achieve the same at this early part of my career.

The full credit is due to IIRM which has given me a golden opportunity to achieve an ACII position. Last but not the least, I am reminded of all faculty members and their continuous encouragement to clear ACII.

I must note here the excellent support of administrative staff of IIRM for all ACII compliance.

I would like to end this note by wishing a great future for all IIRM students.

Yours Sincerely,

Sahitya Manoj
